## ABOUT ME

I am an *Ambitious* person 🚀, always looking for *New Knowledge* 💡 and, since the first scholastic years, very good at *Working within a Team* 👥. I am interested in *Software Developer* </> or *Administrator* 🔧 role. I took a *Salesforce Academy* ☁ at Experis - Manpower Group: Certificate being issued (see my trailblazer.me profile: [lorenzoturco](#) ).

## EXPERIENCE

### Junior Consultant

#### NTT DATA Italia

📅 Jan 18, 2021 – ongoing

📍 Milan, Italy

#### Apprenticeship

Within the unit "Customer Relationship Management and Contact Center" as *Salesforce Developer*.

Qualification to be achieved: *Software Developer Engineer*.

### Teaching Tutor

#### Università degli Studi di Genova

📅 Sep 25, 2019 – Apr 4, 2020

📍 Genoa, Italy

#### Contract

Teaching Tutor experience of

- General Physics
- Mathematical Analysis
- Analytical Geometry and Linear Algebra

for first year students of the Bachelor's Degree Course in Mechanical Engineering.

## EDUCATION

### Master's Degree in Theoretical Physics

#### Università degli Studi di Genova

📅 Sep 2018 – Oct 29, 2020

📍 Genoa & Turin, Italy

**Thesis** title: Neutron-star mergers in scalar-tensor theories of gravity (EN)

**Thesis supervisors:** Prof. Gianluca Gemme – INFN & Dr. Alessandro Nagar – IHES. **Co-supervisor:** Prof. Nicola Maggiore – INFN

**Final Grade:** 110/110 cum Laude

## COMPUTER ACHIEVEMENTS

### Salesforce

1x Superbadge: Admin

[Trailhead](#) Rank: Expeditioner

### COURSE: Salesforce - CRM Cloud Solution Architect

🏢 Experis Academy

- ManpowerGroup

📅 Nov 2, 2020 – Dec 12, 2020

## PERSONAL SKILLS

Team Working

Focus on Tasks

Professional Exchange

Human Exchange

## COMPUTER SKILLS

LaTeX

Mathematica

Microsoft Office

MATLAB

Java

C++

C

Salesforce

Apex

MySQL

ROOT

SciDAVis

Unreal Engine 4

## Bachelor's Degree in Physics

**Università degli Studi di Genova**

📅 Sep 2015 – Sep 28, 2018

📍 Genoa, Italy

**Thesis title:** Extension of the Coulomb and Biot-Savart laws to the non-static case: Jefimenko's equations (IT)

**Thesis supervisor:** Prof. Lorenzo Mattera – UniGe

**Final Grade:** 110/110 cum Laude

## High School Diploma

**Liceo Scientifico IIS Carlo Barletti, Opzione Scienze Applicate**

📅 Sep 2010 – Jul 4, 2015

📍 Ovada, AL, Italy

**Final grade:** 100/100

## SCIENTIFIC SKILLS

During my study path, and my thesis work, I had the opportunity to elaborate on several topics of physics and mathematics.

- **Gravity.** Since the last Bachelor year, I focused my attention on the theory of *General Relativity* including several solutions, cosmology, causal structure of spacetime, singularity theorems and calculation techniques in *Gravitational Waves* theory. In my Master's Degree thesis I also had the opportunity to study *Scalar-Tensor* theories of gravity and the Gravitational Waves theory in this framework with my supervisor Dr. Alessandro Nagar and his research group (📍 Turin, Italy).
- **Particle Physics.** My interests also turn to *Quantum Field Theory* and the *Standard Model* of Particle Physics, including the construction of the model starting from *Group Representation Theory* and some phenomenological calculations.

## ORGANIZATIONS

**National Institute for Nuclear Physics (INFN), section of Genoa**

📅 Nov 2019 – Dec 2020

**Position:** Associate

**Group:** National Scientific Commission (CSN) II

**VIRGO Collaboration**

📅 Dec 2019 – Nov 2020

**Position:** Member

Affiliation due to the work on the Gravitational Waves within my Master's Degree thesis

## ACADEMIC ACHIEVEMENTS

**Winner of Teaching Tutor Position**

🏛️ Università degli Studi di Genova

📅 Sep 2019 – Apr 2020

**University Merit Awards**

🏛️ Università degli Studi di Genova

📅 Accademic Years: 2015/2016, 2016/2017, 2017/2018, 2018/2019

**Representative in Regional School Board**

🏛️ Liceo Scientifico IIS Carlo Barletti

📅 2014/2015. 📖 Alessandria, Italy

## LANGUAGES

Italian

Mother tongue

English

Speaking: B2

Reading: C1

Listening: B2

Writing: B2

## CERTIFICATES

**Cybersecurity - BASE level (IT)**

🏛️ INFN

📅 Oct 12, 2020

**The GDPR in 10 pills (IT)**

🏛️ Università degli Studi di Genova

📅 Sep 30, 2019

**Specific training for the office staff-low risk (IT)**

🏛️ Università degli Studi di Genova

📅 Aug 7, 2019

**General training on safety and health in the workplace (IT)**

🏛️ Università degli Studi di Genova

📅 Nov 30, 2018
